

AUSTRALIAN SKI & SNOWBOARD AWARDS

NOMINATION FOR SNOWSPORTS SCHOOL OF THE YEAR

Nomination Period 1 January 2017 to 31 December 2017

Criteria for Nomination

An award to highlight the contribution of a School Snowsports Program. Nominations are to be judged by State Inter-school Committees, with finalists put forward to SSA for final judging and ratification.

Applicants are encouraged to provide information about their School Snowsports Club based on the following criteria:

- Growth and participation levels having regard to the overall size of the school.
- Athlete participation & performance from school through to elite level – support for SSA programmes, events and activities – contribution to the pathway of an elite performance.
- Athlete education, including safety, fitness, skills and dry-land training activities.
- Variety of discipline exposure offered by the school club to snowsports athletes – evidence of introducing new participants to snowsports.
- Recognition of snowsports and athletes by the School and Club.
- Regards will be given to the improvement by the school and club across the above criteria from the previous year.

Responses should be brief, no longer than 350 words for each of the five criteria. The final text submission must not exceed 1750 words in total. Photographs can be submitted in addition to the text limit. All submissions must be submitted in electronic format.
